“ Dear Clemmons Family - and especially Nick (who I had in biology class at MCHS), I am so very sorry to learn of your loss. Please know that you are all in our thoughts and prayers during this most difficult time. May you each find peace in the coming year ahead knowing how many people are thinking of you. Nick, may you find courage to continue moving forward and be successful in life knowing that your Dad will always be there watching over you and guiding you. Here at MCHS we are sending our thoughts your way for the service this weekend and each and every day in the coming days.

“ So very sorry for your loss. It's been a very long time, but I remember Mark Fondly. Debbie had the chore of watching over her little Brother and I was there quite often to help out.

He was a great kid. Well behaved and well liked by all. I know he will be missed by his Family, Mother, and extended family. Cannot be at his Memorial, but my thoughts and prayers are with you.
