“ Very sorry to learn of the passing of Mr. Coners. He and his lovely wife Carol raised a great family in Palos Heights. Mr. Coners cared about children. I saw him as a morally upright, caring, hard working, loving man. He was also our little league (Tigers) baseball coach back in the summer of 1969. Back then he was just age 34. He cared for us and took the time after a day of hard construction work to teach young boys (including his son John) how to play and win baseball in the sunshine of our early youth. After the baseball games, Mr. Coners treated the whole team to ice cream. He left us with a lifetime of good memories, sound moral character, good physical fitness, and the will to give our very best for the team, and in what we do in life. Just as sure as he gave to us, I am sure of my love toward Coach Coners, toward the man from Old Palos named Fred J. Coners. A caring father. A loving husband. A child of God. Fred Coners is surely still in that sunshine of the loving eternal hands of our Heavenly Father! God Bless!
