“ Hi E: Fred married us and ordained me at Bethany. He gave me many pointers to get thru Elmhurst College and Dubuque Seminary. I have looked several times to say "Hi" but never found him. Today Chris found an old picture of him and OHan and I thought I would look him up. I was hopeful to talk to him, but too late. We are so so sorry.. Your folks were always so nice to us. You have been missed for many years. Frank & Chris Goodlake, Kissimmee, Florida. Call us sometime. 407-414-2717

“ I am sorry to hear that Fred M. Moch has past on recently. I got a Fred and Barbara Moch in my mother's address book from before us children were born. Which means it was written in before 1973. My dad's last name is Moch and the Moch family was from California. I am trying to locate this family because I never got to actually know the family. My dad's name is Allan George Moch and his father which was my Grandfather, name is George Alexander Moch and his father which was my great Grandfather, name was Raphl Alexander Moch. I was only a toddler when great grandfather died and personally things happen that made the family not talk to my grandfather any more but he passed away March 20, 2001. Sorry to ask this when you lost some one so soon. My name is Crystal Turkmen which was my married name but my last name was Crystal Moch and My mother maiden name was Wanda Andrews. They had me and I had older sister Heidi Lynn Moch. My grandfather George lived in NY and then Vermont. He had a farm in NY and in Vermont he had two farms on both sides of his land. Thanks! If this is the correct family or you find out it is please email me at crystal11@live.com. I would like to know more of my family history on the Moch side. Sorry if this is not the right Moch family.
