“ I read this today, I know God sent it to me to describe my friend Joan..."You have just been sent an Angel to watch over you. Some people come into our lives and quickly go. Some people become friends, and stay awhile...leaving beautiful footprints on our hearts...and we are never quite the same because we have made a good friend!" For the rest of my life when I see the first buds of Spring I'll think of her and know she is smiling down on us. Rest well with your Joe my friend. Love, Diane
