“ Kurt Kramer and I were close at heart and Karl kept tabs on us. Why? Because his brother Kurt was only 14 when we met and that had been in good part to Kevin Gallagher, my other dearest friend. The Spirit, the Angels, in whatsoever way it was done, Kurt fed me the message to look him up. I didn't want to bother him because I believed he had his life in order and had no need for me to bring up memories from a time of great sorrow, the passing of his Father. Kurt and Karl had lost their Father just before we met. It was a very delicate situation and I lucked out, getting to be around these young men. Kurt, Karl, Kevin Gallagher, Anthony Francis O'Roarke, brothers Eddy and Danny B\*\*\*\*\*. I love you, big guy. God bless and keep you.

“ Dearest Pattie,  
Since we moved out of Orland, I have lost touch of everything from the old neighborhood. It is with great sadness that we learned from an old neighbor of the news of Kurt's passing. Being a former truck driver like Kurt, we had that in common. He was a good man, and the world is lesser place without him. My family sends its deepest sympathies to you and your family. May Kurt rest in eternal peace in God's hands.  
Sincerely and sadly,  
Wayne Diericks
