With the Corona virus and the CDC guidelines in effect we will not be having a
wake at this time. We are inviting only the aunts and uncles to the funeral
home for the service, if they wish to come, but by no means will we be
offended if they do not. We do not wish to put anyone at risk.

We will be having a memorial service once the Corona Virus threat has
passed and look forward to sharing memories with family and friends at that
time.

In lieu of flowers, we would be honored if you would make a donation to the

charity of your choice in mom's name.

The Van Henkelum family appreciates your prayers and support at this most difficult time as Pat's death occurs during the restrictions and precautions of the Corona virus. Services will be held in private and Pat will be laid to rest at Palos Oak Hill Cemetery Palos Park, Illinois.

“ Pat and I became friends at the age of eight I believe it was 67 years no matter where we moved to we always stayed in touch we shared many good times together and helped each other though the bad times. She was not a friend she was my sister I remember we became blood sister about 9 or 10 years old. I miss our phone calls that would last for hours but most of all my heart is empty without her . Rest In Peace we will meet one more time and most likely get in trouble.

“ We were very good friends of Pat's when she lived in Wisconsin. We have many many good memories of good time with both her and Jim. Better friends could not be found. They were the best. Rest in Peace Pat, we love you. Vonnie and Smitty.

“ *Patti was a great neighbor and friend. We will truly miss her. She would go to church with our little group and we would always go out to dinner together. She was also a part of our birthday club. God please keep her in your light now.* ”
